COMMENDED FOR ALERTNESS—Bay St. Louis Fire Chief Andrew Lizana presents a special Certificate to Vincent Smith whose actions probably saved the life of neighbor whose residence was on fire Friday morning. Those in photo are from right, Chief Lizana, Vincent, Anna-Marie and Jennifer Smith, sisters of the young hero. Smith is the 7-years-old and is the son of Mr. and Mrs. Richard Smith, Felicite Street, Bay St. Louis, and a first grade student at North Bay Elementary. Lizana said the youngster saw smoke coming from a neighbor's residence, notified his mother who reported the fire. His certificate states that he "Has Been Commended for Alertness". (Staff photo by Ellis Cuevas).

Bay St. Louis budget increases

By BRENDA HEATHCOCK
EDITOR'S NOTE: The following information is a continuation of a report on the city of Bay St. Louis' 1985 budget, which totaled more than \$6.1 million.

The Bay St. Louis City Council recently adopted a budget for 1985 which included nearly \$2.5 million for the city utility system.

The total utility budget is up over the 1984 budget \$284,875 with the major increases in the budget due to a carryover of \$200,000 for sewer improvements.

Revenues expected for the year include \$1,416,000 from the gas department, \$405,000 from the water department, \$388,000 from the sewer department, \$6,000 for garbage collection, \$55,000 from interest, tap fees and service charges and \$15,000 from late fees. Also included in the revenues expected is the carryover for sewer improvements.

Gas department expenditures are expected to total \$1,282,385 and are the major expenditures listed. Water, sewer and general administration expenses should total \$807,170.

Additional expenses for interest on a bonded debt, bond covenant requirements and equipment purchases, along with the \$200,000 of sewer improvements, bring the total of expenditures to \$2,482,175. A net income of \$2,825 is projected.

Expenditures for the 1985 fiscal year are up \$283,320 from the 1984 budget but only \$224,165 over the amended budget.

As in the case with the total budget for the city, an increase is noted in the salary expenditures because of an across-the-board salary increase of six to seven percent.

In the gas department, salary expenditures increased more than \$15,000 with the pay increases and the addition of one employee to the department.

Estimates for gas to be purchased from the Mississippi Valley Gas Company are down by \$50,000 because of projected savings resulting from recent and planned improvements in the gas lines.

City Clerk Edward Favre said the percentage of gas purchased but unaccounted for is expected to be lower than 10 percent by the end of the year.

Before improvements were begun on the gas lines, the amount of gas unaccounted for was as high as 20 percent, he said.

Insurance for the gas department increased by \$8,000 and engineering fees were cut by \$5,000.

Planned expenditures for repairs and maintenance includes \$130,000 in capital outlay for improvements, Favre said.

A total of \$30,000 is also expected to be utilized for rental of equipment being purchased on a lease-purchase agreement.

The 1985 budget has no depreciation listed in contrast to the \$45,000 amount listed on the 1984 budget.

Favre explained that instead of BUDGET—Page 10A

Wastewater grant to fund project at Bay lagoon

By DENA BISNETTE
Advertisements for bids for the first phase of improvements on the Waveland Regional Wastewater Management District will probably be published in early January.

Wastewater District Administrator Ethel Schott said Friday that the money for the project will come from a U.S. Environmental Protection Agency Grant the district received last week and local matching funds.

The \$354,119 grant will pay 75 percent of the cost of the first phase, which is expected to cost about \$470,000.

The project, the first of four phases involved in a program that will eventually link the Bay St. Louis and Waveland treatment systems and discharge the treated effluent at a single point in Edwards Bayou, will im-

prove the quality of treatment provided at the Bay St. Louis sewage lagoon.

Schott said the improvements to the lagoon will include changing the facility's entire flow pattern, installing pumps and updating chlorination equipment.

The installation of the pumps will also tie in with a later phase of the program. In that phase, the lagoon will be linked with the Waveland wastewater treatment plant, she explained.

The improvements will allow sewage to be treated for longer periods of time before it is sent to Waveland for further treatment.

District officials will meet next week to sign the paperwork indicating final acceptance of the grant. Schott said the time and place for the meeting has not yet been set.

Clinic protester cleared of trespassing charge

By DENA BISNETTE
Dr. Sheila Gottschalk of Waveland was found not guilty Wednesday of trespassing on the property of New Woman Medical Center.

About 40 people attended the hearing for Gottschalk, who had been arrested last Saturday while picketing in the center's parking lot, which is private property.

Gottschalk has stated that she was protesting against the abortions provided by the clinic.

Municipal Court Judge Joseph Benvenutti found Gottschalk not guilty because prosecution witnesses failed to prove that anyone involved with the ownership of the property had actually asked her to leave.

When Benvenutti asked Gottschalk to enter a plea Wednesday, she replied that she did not know court procedure and wished to make a statement.

"Since you don't know what to do and

you don't have a lawyer, the court will enter a plea of not guilty for you," the judge said.

He also said any statement on the part of the defendant would have to wait until after City Prosecutor Henry Cook presented witnesses.

Two witnesses were presented, including Bay St. Louis Police Officer Sandra Schaefer and Sidney Davis.

Schaefer testified that she was called to the clinic on two occasions when Gottschalk picketed on private property.

Schaefer testified that on the first occasion, Sept. 22, she found picketers walking between the yucca plants on the strip of public property separating the parking lot from U.S. Highway 90 as well as in the highway.

She said she first spoke to Rev. Nathan Barber, who was also picketing, about getting the picketers out of the highway, then asked Gott-

PROTESTER—Page 10A

CIVIC CENTER REDEDICATION—Waveland Mayor John Longo Jr. displays a plaque for presentation to Herman Yarborough during Saturday's rededication of the Waveland Cultural and Civic Center. Longo said Yarborough was honored for his efforts in remodeling the building, which formerly housed the Waveland School and now provides facilities for Senior Aides, Art Society, Humane Society, Boy Scouts, Girl Scouts, Waveland Players and St. Vincent DePaul Society. Yarborough spearheaded the remodeling campaign, which was completed with \$10,000 in city funds for materials and labor furnished by city workers or volunteers. (Staff photo by Dena Bisnette)

Bay Legion, Waveland Civic support jail

By ELLIS CUEVAS
Organizations adding support to the construction of a new Hancock County Jail this week included the Altrusa Club, Hancock County Woman's Club, Waveland Civic Association, and the Clement R. Bontemps American Legion Post No. 139.

The Waveland Civic Association was unanimous in supporting a new jail at its membership meeting on Thursday.

The recommendations of the Hancock Jail Committee were supported by the Bay American Legion at the post's Thursday night meeting.

Hancock Sheriff Ronald Peterson also addressed the Hancock County Woman's Club on Thursday and they endorsed a new jail.

The Altrusa Club also voted to support the need for a new jail on Friday.

The need for a new jail earlier received endorsement by the Hancock County Board of Supervisors, the cities of Bay St. Louis and Waveland, Bay St. Louis Rotary Club, Hancock County Chamber of Commerce, and other organizations.

The proposal for a new jail will be included on the ballot for the November General Election.

News Brief

SAUCIER REUNION

The 12th annual Saucier family reunion will be Sunday, Oct. 21.

Although previously announced that the gathering would be held at Poplarville Community Center, it will instead take place at Ray Gibson's Fish House, Hwy. 33, 10 miles south of Poplarville.

All Saucier family and friends are invited to attend and bring a picnic lunch. For additional information call reunion President Luke Saucier at 964-855-3854.

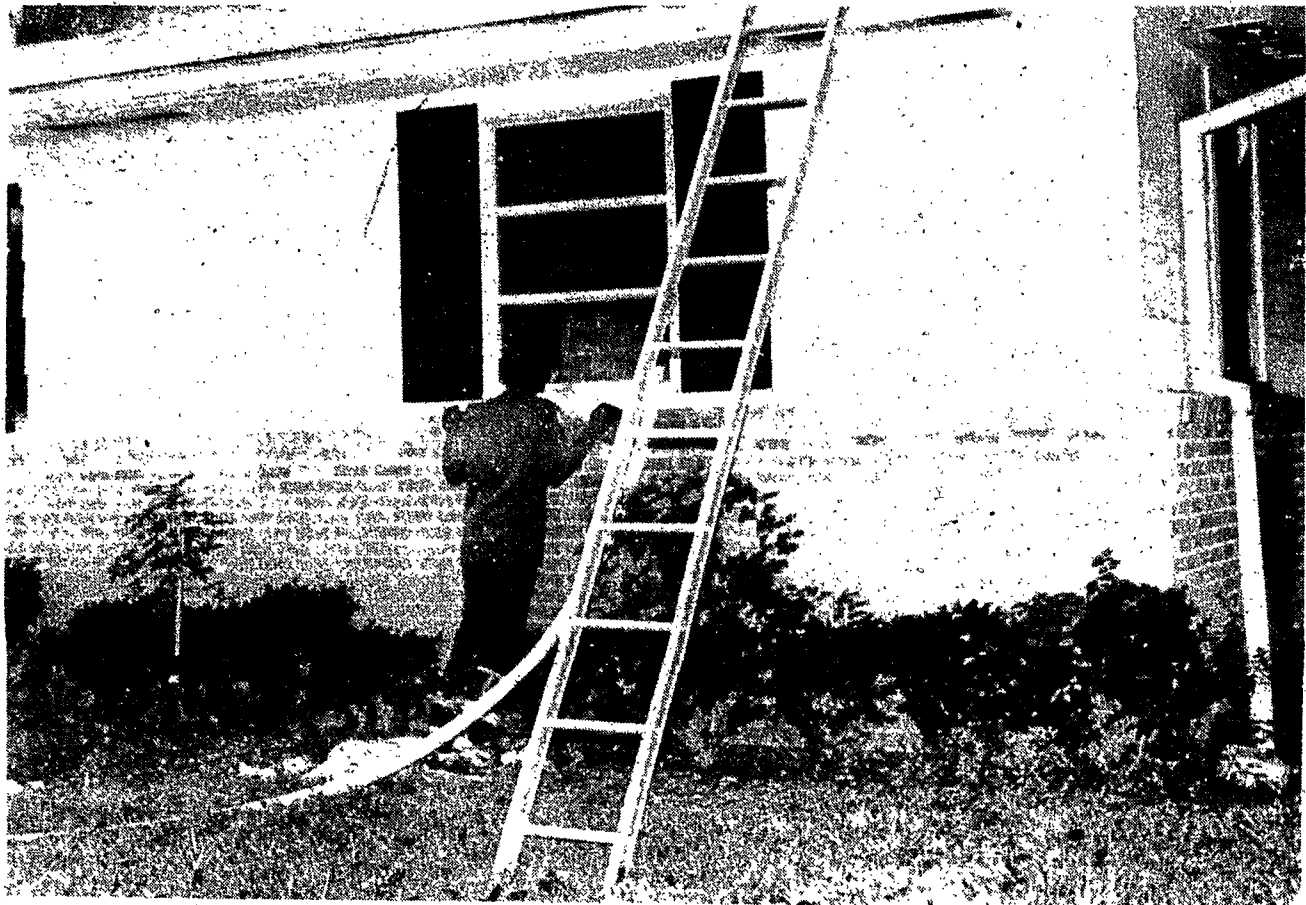

TRESPASSING CHARGES—Witness Sidney Davis, left, listens to a question from the prosecution as he testifies in a city court hearing on the case of Dr. Sheila Gottschalk, right. She was charged with trespassing on private property during an anti-abortion protest in front of New Woman Medical Center and was found not guilty Wednesday. (Staff photo by Dena Bisnette)

PASS CHRISTIAN TOUR OF HOMES—The home of Marshall Powell, above, and Mr. and Mrs. Paul Westervelt Jr., below, will be featured in the Pass Christian Historical Society's Tour of Homes set for today, Oct. 14. The tour will be from 1:30 to 4:30 p.m. and there will be a tea for tour guests at the home of

Mrs. Gaynell Billups, 625 East Scenic Dr., from 2:30 to 4:30 p.m. The walking tour will include four homes on Scenic Drive in Pass Christian. Tickets for the tour will cost \$6 and are available at the homes. For information call Otis Trepagnier, 452-2103.

CLOSE CALL—Bay St. Louis firefighter Alphonse Sheppard checks on progress of firefighters extinguishing blaze at 502 Felicita on Friday morning. Some nine Bay St. Louis firefighters, assisted by Bay St. Louis police officers responded to the call which involved a bed on fire according to Chief Andrew Lizana. Frank L. Way, a resident of the home, was

asleep on a couch in the house and awakened by firefighters Arthur Farve and Gary Maurice, Lizana, said. Vincent Smith, a 7-year-old neighbor saw smoke coming from the residence and notified his mother who called the fire department. (Staff photo by Ellis Cuevas).

Unique farm implements given to State Agriculture Museum

AMCO Products recently donated two innovative implements, a 1947 disk harrow and a 1980 terracing plow to the Mississippi Agriculture and Forestry Museum in Jackson.

These implements, both first production models, show the beginnings not only of a company, but of revolutionary ideas in agricultural products.

The Alexander Manufacturing Co., a name later shortened to AMCO, began production in Picaune in 1947. One of its first customers was the Ford Motor Co. for which they produced a disk harrow, Model #11-40, which mated to the then new three-point hitch on Ford-Ferguson tractors. This disk harrow weighed about 700 pounds and sold for \$350 retail. A tractor at that time went for about \$900.

In 1963 AMCO moved its manufacturing operations to Yazoo City and began operating out of an expanded facility. The company now serves markets in the United States, Canada and around the world. AMCO equipment can be found throughout Central and South America, Africa, China and Australia.

The terracing plow is a relatively new innovation in farm equipment. During the 1970s many farmers plowed up pastures, hillsides, old terraces and almost every acre they had to plant in soybeans.

This created a serious problem—soil erosion. Mississippi presently ranks in the United States in total soil erosion behind Missouri and Tennessee. Most new terraces in the 1970s were made using bulldozers and other large earth moving equipment.

The new terracing plow is designed for use with modern tractors, eliminating the need for more expensive equipment. AMCO Products worked closely with the Soil Conservation Service to develop this tool and recently received a patent for it from the U.S. Patent Office.

Representatives from the Mississippi Agriculture and Forestry Museum accepted the plows in Yazoo City. The plows will become a permanent part of the museum collection and will be an invaluable resource for educational programs.

Corrections

In Thursday's Sea Coast Echo story on the accident that killed Marks Isaacs of New Orleans, the positions of the car and the dump truck involved were transposed.

According to David Kenny of the Mississippi Highway Patrol, the dump truck hit the car in the rear as the car came onto Highway 603 from the Interstate 10 ramp and the car was pushed into an oncoming pickup.

The dump truck then landed in a ditch, coming to rest with its rear section on the rear of the car and spilling its load.

In a second story on burglary arrests, the names of Don Smith and Charles Booker were switched in one paragraph. Smith was the owner of the stolen property and Booker was arrested on a charge of possession of stolen property.

The Echo apologizes for the errors.

grams.

Educational programs are a vital part of the museum's outreach to the community.

This new facility is located on Lakeland Drive at Interstate-55 North in Jackson. The museum is open Monday through Saturday from 9 a.m. to 5 p.m., and on Sunday from 1 p.m. to 5 p.m. Admission is \$2 for adults and \$1 for students.

VESTA MAE PETTIT HALL

The funeral for Vesta Mae Pettit Hall, 79, of Morehead, Ky., was Friday at Northcutt and Sons Home for Funerals in Morehead. The Rev. Ted Greene officiated.

Burial followed in Clearfield Cemetery in Morehead with Mrs. Hall's nephews serving as pallbearers.

Mrs. Hall died Tuesday, Oct. 9, 1984, at St. Claire Medical Center in Morehead.

She was a native of Rowan County, Ky., and was the daughter of the late Jessie and Emma Jane Clark Pettit. She was preceded in death by her husband, Oliver Hall.

She was a member of the Church of God.

Her survivors include two sons, Arthur Edward Hall of Bay St. Louis and Earl Clayton Hall of Rochester, Ind.; four sisters, Viola McBrayer and Lila Chadwell of Morehead, Isa Smith of Leesburg, Ind., and Geneva Bays of Goshen, Ind.; nine grandchildren and 18 great-grandchildren.

HENRY MOORE

Henry D. Moore, 69, of Waveland died Monday, Oct. 8, 1984 in Biloxi.

Visitors called Friday at Little Zion Baptist Church in Waveland from 7 to 10 p.m.

Burial was Saturday at 11 a.m. in the Waveland Cemetery.

Survivors include his wife, Mrs. Evelyn W. Moore; his mother, Mrs. Elvina Moore; a sister, Mrs. Alma Barnes; and a brother, Harvey Barnes, all of Waveland.

Mr. Moore was a veteran of World War II. He was preceded in death by his father, the Rev. Thomas Moore.

Imperial Funeral Home of Bay St. Louis was in charge of arrangement.

MRS. ELOISE TAYLOR

Mrs. Eloise Taylor, 63, 510 Church St., Pass Christian, died Tuesday, Oct. 9, 1984 in Gulfport.

Visitors called Saturday from 11 a.m. until service time at 3 p.m. at the Good Will Baptist Church in Pass Christian. Burial followed in the Baptist Cemetery in Pass Christian.

Mrs. Taylor was a member of Good Will Baptist Church, where she was vice president of the Senior Choir, secretary of the Senior Mission and a member of the decorating committee. She is survived by her mother, Mrs. Louella Hagan of Pass Christian and an uncle, Ed Mason of Jasper, Texas.

Baylous Funeral Home in Picaune was in charge of arrangements.

IN MEMORIAM

In Loving Memory of
LAVERNE A. GARCIA
Died Oct. 15, 1979

As the clock ticks softly, slowly
And the years fly hurriedly by,
I can still feel the sorrow
Of that day you said goodbye.

It's been five years now, Dad,
And we miss you even more.
You are forever in our thoughts
And will always remain in our hearts.
Sadly missed by

ISI plans appeal in civil lawsuit

By DENA BISNETTE

Industrial Systems Inc. plans to appeal a judge's ruling in its December 1982 lawsuit against Gonzales Marine Enterprises Inc. and Dolphin-Titan International Inc. of Houston, Texas.

ISI attorney Aaron Adams said Chancery Judge William L. Stewart issued the ruling against ISI a few days ago. Adams plans to file an appeal for his client within the next six weeks.

ISI, a Hancock County business owned by Jeannie H. Draves, had filed suit asking for \$500,000 from Gonzales Marine Enterprises, also a local firm; its owner, Ronnie Gonzales; and Dolphin-Titan, for which Gonzales was a contractor.

About \$167,000 of that \$500,000 was payment for materials sold to Gonzales and for service charges, Adams said.

He said the remainder of the \$500,000 was for damages for alleged intentional interference with contractual relationship and alleged breach of a purchasing contract.

The civil trial for the suit was heard May 2, 3 and 4 and June 11-15 in Hancock County Circuit Court and the judge's original opinion was issued Sept. 28. Adams commented that having the trial split may have damaged his client's chances in the matter.

"It made the earlier part of the trial have less impact, and that was the strongest part of our case," he said.

County library program to be presented at conference

The Hancock County Library System's "Compass Project," a computer assisted skills program, has been selected as one of 20 innovative public library programs to be presented during the 1984 Southeastern Library Association's biennial conference in Biloxi, Oct. 17-19.

The Compass Project, developed by Prima Wusnick, library system director, and Rebecca Mitchum Keefer, branch services supervisor, will be presented during a program entitled "Programming for the Changing Role of Public Libraries," according to Mary Rheay, director of the Cobb County (Ga.) Library System and chairman of the public library section for the 11-state SELA conference.

Implemented in January, 1984, the Compass Project is designed to provide an alternative method of learning for

out-of-school adults who want to improve their skills in a variety of subjects.

"Since January, more than 200 persons have joined the program and used the project's computer hardware and pre-packaged software for individualized learning of reading, writing, spelling logic, social studies, and mathematics," said Keefer.

"Recently, programs on personal finance, career assessment, college selection, and college entrance examinations have been added," she noted.

"We are extremely pleased that the Compass Project has been selected for this honor," said Wusnick, "and we are looking forward to sharing information on our program with other public librarians and trustees."

Citizen input sought in hearings

The public is invited to public hearings Oct. 15 in Hattiesburg and Oct. 16 in Biloxi to gain citizen input on community and economic development, aging and community services, energy assistance and other concerns. Both hearings begin at 7 p.m.

The Hattiesburg hearing will be held at Blair High School auditorium. In Biloxi, the hearing will be conducted at Biloxi High School auditorium.

Conducted by the Governor's Office of Federal-State Programs, "these public hearings are designed to discuss issues which may be addressed through the assistance of our agency and to gain input on developing our legislative package," according to Beverly W. Hogan, Federal-State Programs' executive director.

Departments of Federal-State Programs to be represented at the hearings are the Department of Administration, Department of Audit and Evaluation, Governor's Office of Criminal Justice Planning, Governor's Office of Community Development, Governor's Office of Human Development, Governor's Office of Job Development and Training and Department of Planning and Policy.

"We are conducting these hearings in various areas of the state to bring state government closer to the people it

Legion Auxiliary to participate in Kidney drive

American Legion Auxiliary Unit 77 is participating in the Kidney Foundation's Halloween candy sale.

The purpose of this event is to raise funds for the Kidney Foundation and to focus public attention on the problems of kidney disease in Mississippi.

The Kidney Foundation urges everyone to read and learn the six warning signs of kidney disease which can be found on the top of each bag of candy.

Mississippi has the highest death rate, per capita, from kidney disease of any state, although there are several treatments available for kidney disease, a cure must still be found.

The Kidney Foundation is fighting the problems of kidney disease through patient and community services, research and public and professional education.

By purchasing your Halloween treats from a Kidney Foundation volunteer you will help "Trick Kidney Disease" in our state.

Military Mention

SGT. MIRE

Army Sgt. 1st Class Dennis Mire Jr., son of Ravennell Bingham of Bay St. Louis, has been assigned to the Armed Forces Inaugural Committee to support the presidential inauguration to be held in January.

Formed every four years to plan and coordinate communications, security, transportation, parade control and special inaugural events, the committee is made up of 12,000 uniformed servicemembers.

The military's participation in presidential inaugurations dates back to the Revolutionary War when George Washington was escorted by his militia to New York City's Federal Hall, then the emerging nation's capitol.

This event will mark the 50th inauguration of a United States president.

Mire is assigned in Washington.

His wife, Phyllis, is the daughter of Capt. Ferris L. and Doris G. French of 3305 Prince William Drive, Fairfax, Va.

He is a 1964 graduate of Ocean Springs High School.

Hancock's jail need should concern all

The qualified electors of Hancock County will have an opportunity of voting for a new jail in the November General Election.

A new jail for Hancock County is something which has been needed for many, many years.

Grand jury after grand jury have expressed the need for a new Hancock County Jail.

The endorsement by Hancock County's Board of Supervisors, Bay St. Louis and Waveland officials, as well as the many organizations in our county show the tremendous need for a new jail.

The residents of Bay St. Louis can well remember when we were forced to pay a law suit with an extra sales tax to the heirs of a person who broke his neck while diving off a pier.

The officials of Mobile County, Ala. are now being assessed \$5,000 a day by Federal Judge Virgil Pittman until jail conditions there are corrected.

The jail in Mobile County, as reported in newspaper reports appears to have some of the same characteristics as Hancock's, outdated, overcrowded, extremely cluttered, grossly inadequate, etc.

This could happen to Hancock County, and guess who ends up paying— you and me.

Quotables by Cuevas

We have noticed several Bay St. Louis employees working in the Cedar Rest Cemetery in preparations for All Saints Day.

There always appears to be several people with loved ones buried in Cedar Rest who wait until All Saints Day to clean their graves.

We hope everyone will begin now in preparation for All Saints Day.

It is impossible for those removing trash from Cedar Rest or any other cemetery to have it all removed if persons wait until the last minute for the special day.

Leaves of many trees are now beginning to fall and many residents are keeping busy removing them.

There are many types of clean-up which can be done in the Fall of the year and one is keeping leaves raked. Everyone should make an effort to do some special cleaning now with Christmas not too far from now.

The cooler weather makes it more pleasant to work in one's yard than in summer.

We do wish the days were a little longer.

And just think, they will be shorter next week with the time change.

Oh! I haven't forgotten about the falling backward and springing forward.

In driving down Beach Boulevard towards Jourdan River, one sees the litter increase every block.

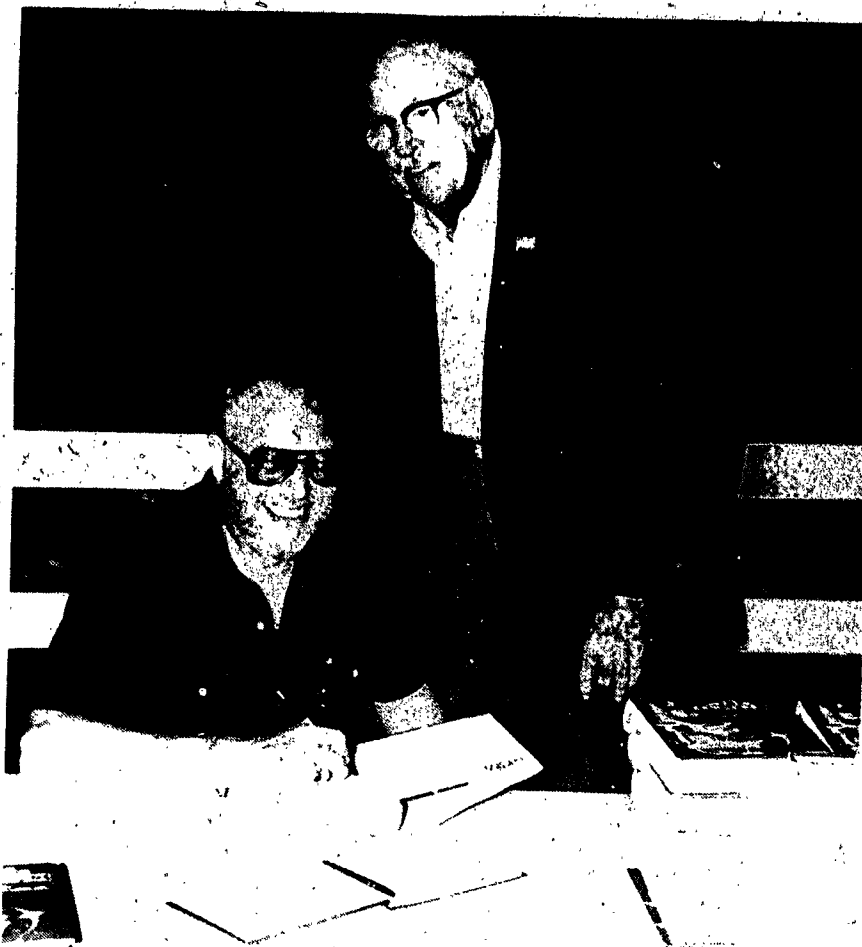

We wish people would take more pride and keep their debris and properly dispose of them.

It is a terrible eye sore to many people, (must not be to some, and someone has to litter), to see the amount of trash along our beachfront.

We do appreciate the effort of those many residents who take pride in the appearance of their community.

There are several persons who walk for exercise and while doing so collect litter and this helps to improve the appearance of a neighborhood.

Many while cutting their lawns also trim the ditches and shoulders of the road, this all helps.

LOCAL AUTHOR—Ed Ling, Waveland resident, gives a personally autographed copy of his book titled 'The Space Crescent; The Untold Story - Mississippi Connection: The National Space Technology Laboratories' to Norton Haas at a recent book showing. Ling's book deals with the period of the purchase, construction and operation of the Mississippi Test Facility and now known as NSTL. The Strode Publishers of Huntsville, Ala. are the publishers. A recent fire at the publisher's offices has caused some delay in delivery of the book to local outlets. Ling has presented a copy of the publication to the Library in Bay St. Louis. (Staff photo by Ellis Cuevas).

Matters of Health

THE COMMON COLD

Q: The cold weather season will soon be upon us and I wondered what I could do to prevent getting a cold this coming winter. What are the best ways to alleviate cold symptoms?

Contrary to popular beliefs about the common cold, the weather actually has little to do with whether or not you will get a cold. Most colds are spread by hand-to-hand contact of nasal discharge and are not caused by cold or dampness or a combination of both. In fact, sneezing and coughing do not spread colds as effectively as hand-to-hand contact. If you think you might be coming down with a cold, take extra care when washing your hands and immediately dispose of used tissues.

Some of the reasons why people seem to be more susceptible to colds in the winter are that schools are open during the winter months, making it easier for the germs to spread; the air inside tends to be drier and warmer, which in turn dries the nasal mucosa making it easier for the cold-causing virus to take hold, and because people tend to be crowded together indoors. In tropical climates, where there is no cold weather per se, more people get colds during the rainy season when they are compelled to live indoors.

Ninety percent of all colds are caused by viruses. Unfortunately for those who seek a cure to the common cold, there are hundreds of different types of viruses. One third to one half of these are rhino (related to the nose) viruses, of which there are more than 100 immunologically distinct types. Further complicating the problem is the fact that the viruses causing another third of all colds have not been identified.

While most people agree that colds are seldom life-threatening illnesses, they are the most common cause of absenteeism from school and work, accounting for 60 percent of all school days lost and 33 percent of lost work time. The annual cost to the economy is estimated at five billion dollars.

Most colds have a duration of three to five days but some can linger on for as long as two weeks. The symptoms of a cold are nasal discharge, nasal blockage, sneezes, mild sore throat, hoarseness, a cough and, perhaps, a mild fever.

If you have body aches and chills, and a fever of more than one or two degrees above normal, you probably have the flu, not a common cold. What is frequently referred to as a chest "cold" is really bronchitis or pneumonia which is less common. A severe sore throat, especially with a fever, is often a sign of strep throat, for which you should seek medical attention.

If your symptoms are only those of the common cold, there are several remedies on the market that may provide varying degrees of relief. However, it is important to examine the ingredients of the cold remedy carefully. Many contain more ingredients than needed. Multiple decongestants, for example, in any one remedy are no more effective than a single decongestant. Or, the remedy may contain ingredients, whose properties nullify the effectiveness of other ingredients.

MEC

HALL OF FAME FOR MISSISSIPPI TEACHERS

For more than two decades now, the Mississippi Economic Council has sought out and rewarded the state's most academically outstanding high school seniors and their teachers. The MEC-sponsored program is known as STAR—Student-Teacher Achievement Recognition.

Academic achievement is recognized within the more than 300 public and private high schools participating in the STAR Program, with certificates, plaques, and scholarships awarded to top students and teachers in the participating schools.

Climax to the annual program comes at the annual membership meeting of the council in April in Jackson when scholarship awards are presented to the state's top three students and their teachers.

This year another dimension is being added to STAR. The council is searching for teachers who have been recognized as STAR Teachers five times or more.

Special attention will be given to those teachers in April 1985 at the council's membership meeting.

While there are, without question, scores of outstanding Mississippi teachers who have never received STAR recognition, it could be suggested that the list of teachers selected by their students as STAR Teachers five times or more could become the charter list of a Hall of Fame for Mississippi Teachers.

Decongestants, such as pseudoephedrine or phenylpropanolamine, are the most effective for treating the symptoms of colds. These are best administered by a nasal spray, because as cold tablets or liquids they are more likely to affect the entire body system and have been associated with elevated blood pressure, loss of sleep and irritability. A cough suppressant, such as dextromethorphan may also be beneficial if you have a cold. However, the widely marketed expectorants have no proven efficacy in the common cold. Antihistamines have a limited effectiveness, though they may decrease sneezing and nasal discharge, they can often cause drowsiness.

If all else fails, scientific evidence supports the use of chicken soup as a cold remedy. Sipping the hot liquid and inhaling the steam may reduce the length of the cold by accelerating mucous flow as does adequate fluid intake. However, the best medicine is prevention. That's best accomplished by careful hand washing and disposal of used tissues. Unfortunately, even the best of these efforts may be in vain. Since there are so many cold viruses it is possible to get a different virus every year and never have them all during the course of a lifetime.

IN CONGRESS

By Cong. Trent Lott

Protections for Social Security recipients
In the closing days of the 98th Congress, two important measures benefiting senior citizens on social security became law.

Congress agreed with President Reagan's request to guarantee social security recipients a cost-of-living allowance (COLA) in January. This measure waives a provision in current law prohibiting the COLA if the consumer price index (CPI) for fiscal year 1984 increases less than 3 percent.

President Reagan called for a waiver of the trigger on July 24. I know that there are a lot of people in the Fifth Congressional District who will benefit from this action, and I am very pleased that the Congress was able to clear this bill before its adjournment.

The Congress also enacted a measure to protect the disabled from being unfairly dropped from the social security disability rolls. The bill's approval marked the end of more than two years of controversy over efforts to rid the disability program of ineligible recipients through periodic reviews.

The Social Security Administration had undertaken the reviews in response to a 1980 Congressional mandate to clean up an estimated \$2 billion in program errors. In too many instances,

however, including many brought to my attention by Mississippians, clearly qualified recipients were being taken off the disability rolls as a result of overzealous reviews.

The social security disability insurance program provides benefits to workers who become too disabled to hold down a job.

As approved by the Congress, the bill would make it more difficult for the 3.8 million individuals on the rolls to have their benefits taken away.

Now the Social Security Administration will have to show that an individual's medical condition has improved since the person was first placed on the rolls, and that he or she is now able to work before benefits can be cut. These individuals who already have been taken off the rolls will have their cases reconsidered under the new review standard.

The legislation also will allow those who are removed from the rolls to continue receiving payments while they appeal. The benefits, however, will have to be repaid to the federal government if the appeal is lost.

I agreed with the Congress' action on this measure. It is vital that those individuals who depend on disability because they cannot work be protected under this program.

LETTERS TO THE EDITOR

If it concerns you, it concerns us

Health cost containment measure in effect since Oct. 1

Editor
Sea Coast Echo
Bay St. Louis

Dear Editor:

In July, Congress passed a law that may be the best health-cost containment measure ever adopted but almost no one knows about it.

The Participating Physician Program encourages physicians to accept the amount Medicare considers a reasonable charge as payment in full on all Medicare claims.

This program has great potential to help skyrocketing health costs but few Medicare beneficiaries are aware of it.

The government has contacted doctors to notify them of the program but has done nothing yet to inform Medicare beneficiaries.

Patients need to know they can save money by seeking a participating physician.

And, they need to know that doctors not participating cannot raise their charges to beneficiaries beyond what they were charged for the same services during the second quarter of 1984.

In its report accompanying the passage of this law, Congress said that much of the success of this program will depend on the beneficiaries.

The American Association of Retired Persons urges all consumers to encourage their doctors to participate.

And it suggests that patients demonstrate their support after Oct. 1 by seeking out participating physicians.

Insurance carriers plan to publish directories and install toll-free telephone lines to help beneficiaries find the names, locations, and specialties of participating physicians in this area.

Congress has said people need information in order to benefit from this law but Medicare has been slow to advertise it. Will you publish this letter to help inform the public?

Sincerely,
Gordon Stone
President
Hancock County Chapter, AARP

Obeys the law presents problem for Waveland resident

To the Editor:

I have a problem. Does anyone have a solution?

I have two dogs in my fenced yard. Neighbors complain because they bark. Other neighbors have dogs that run loose and that is why usually my dogs

are barking.

Since calling the police or the Humane Society would be an unneighborly act, what do I do?

Does anyone have a solution?
Rose Evans
Waveland

"Thank You Voters"

The voters are going to try it again, to build a new jail.

I hope they don't, so I can stay out longer on bail. It will give me time to steal and commit more crimes. It will give me time to sell other people's things that didn't cost me a dime.

I hope you don't vote for it. Look at all the money you will save.

For without a new jail, it makes the crooks feel more brave.

They say crime doesn't pay. That is what I heard a voter say.

But I can take your TV, gold watch and even your rings.

I can sell them for \$100 and they didn't cost me a thing.

How do you want the thieves to make a living When you'll have us locked up in your new prison. So don't vote for the new jail you'll be doing right. Well, I must be going now I have some houses to break into tonight.

BILLY SUNDAY
"Billy Sunday: Baseball, Bible, Ballet," Ruth Page's ballet capturing the spirit of baseball-star-turned-evangelist Billy Sunday, can be seen at 8 p.m. Saturday, Oct. 20 on Mississippi ETV. Ruth Page choreographed her ballet in 1926, and it was revived by the Cincinnati Ballet Company and the New Orleans City Ballet in 1983. The ballet presents the evangelist as he delivers a sermon on temptation. It is illustrated by four Bible stories. The original presentation is considered very unusual for its time because the leading performers not only danced, but spoke as well.

LET'S TALK FACTS

Hancock Countians, serving as Grand Jurors as far back as 1972, have found the Hancock County jail to be unsatisfactory. Each Grand Jury report states emphatically that the physical conditions of the jail present a potential threat to the public safety and also create an unsafe situation for jail personnel, as well as inmates.

*The present jail lacks adequate heat, light, ventilation, sanitation and, most dangerous of all, fire exits.

*The jail lacks adult facilities. When there are female adults and both male and female juveniles, either someone must be released or arrangements made to house some inmates elsewhere.

*Numerous escapes have occurred from the jail, the most recent being six months ago. These escapes can be avoided in the future with a jail that meets all security requirements.

*There is no way to avoid housing first time minor offenders with those convicted of serious crimes. Many persons who are held in the jail have not been convicted of any crime and are, under our laws, innocent until convicted.

Let's seriously affirm the recommendations of these Grand Jurors and erase these potential threats to the citizens of our community.

The need is urgent.

Edge St. Martin 26-25

Hawks overtime winners

By BRENDA HEATHCOCK

In double overtime the Hancock North Central High School Hawks took a 26-25 Homecoming victory over the St. Martin Yellow Jackets Friday.

With this win the Hawks won a berth in the district championships against d'Iberville, although this is only their second win of the season.

Following the game, Hawk kicker Drew Malley was carried off the field on the shoulders of his teammates after kicking the extra point giving the Hawks the victory after a long battle.

The Hawks kicked off to St. Martin but the Yellow Jackets had to punt.

North Hancock took possession and made a first down before the ball was turned over on a fumble.

On the Hawks next possession they began a drive that netted five first

downs and the first touchdown of the game.

Stanley Jourdan carried for nine yards on the first run of the drive and then Frank Ladner pushed through to the Hawk's 24 for first and 10. Charles Burton took the ball and went nine and a half yards and Jourdan carried it through then for another first.

On his next two runs, Jourdan added more first downs, giving the Hawks good field position on the St. Martin 33-yard line.

Burton rushed for two yards and then Jourdan carried the ball to the 25.

With third and three to go, Burton pushed through and made the first down. An illegal procedure penalty against the Hawks made it second and 15.

A pass on the fourth down was knock-

ed down but the Hawks were saved by a personal foul against St. Martin for roughing the passer.

With first down on the St. Martin 13, Ladner exploded around the end and scored just 15 seconds into the second quarter.

Unable to add the extra point the Hawks held the Yellowjackets through one possession and then took the ball back to score again.

Melton Lewis, quarterback, took the ball down the field 62 yards on an option play to put the Hawks ahead 12 to 0. St. Martin scored on their next possession. The kick was no good.

The Hawks took over on their 41 and Jourdan ran again to add six yards. Burton took the ball and ran 52 yards for a touchdown but the score was called back because of an offensive motion penalty.

St. Martin tied the score two minutes before the half but again failed to make the extra point and the halftime score was tied 13-13.

Following the kickoff in the second half the Hawks had a block punt, giving the Yellow Jackets first and 10 on their 45.

They were unable to score but got the ball again after a Hawk fumble.

A series of fumbles and penalties plagued both teams for the next several drives.

The Hawks mounted another drive that was marked with five first downs. On a long pass they put the ball down on the two-yard line and then Jourdan carried it in again.

St. Martin came back and made a touchdown to tie the score and the Hawks were unable to add points before regulation time expired.

At the end of the fourth quarter, the score was tied at 19. St. Martin won the toss and took the first possession of the ball, just 10 yards out. Hawk defense held the Yellow Jackets and the Homecoming crowd roared as it appeared the Hawks had a sure win.

A quarterback keeper pushed the Hawks back four yards and they had second and 14. Fullback Stanley Jourdan gained eight yards in two rushes but was short of the score.

Kicker Drew Malley went on the field to kick a 16-yard field goal but it was ruled wide and the game entered into its second overtime period.

A powerhouse play by St. Martin gained a score on the first down but the two point conversion was blocked.

The Hawks came out and ran the same play to tie the score once again, before Malley kicked the extra point, giving the Hawks their win.

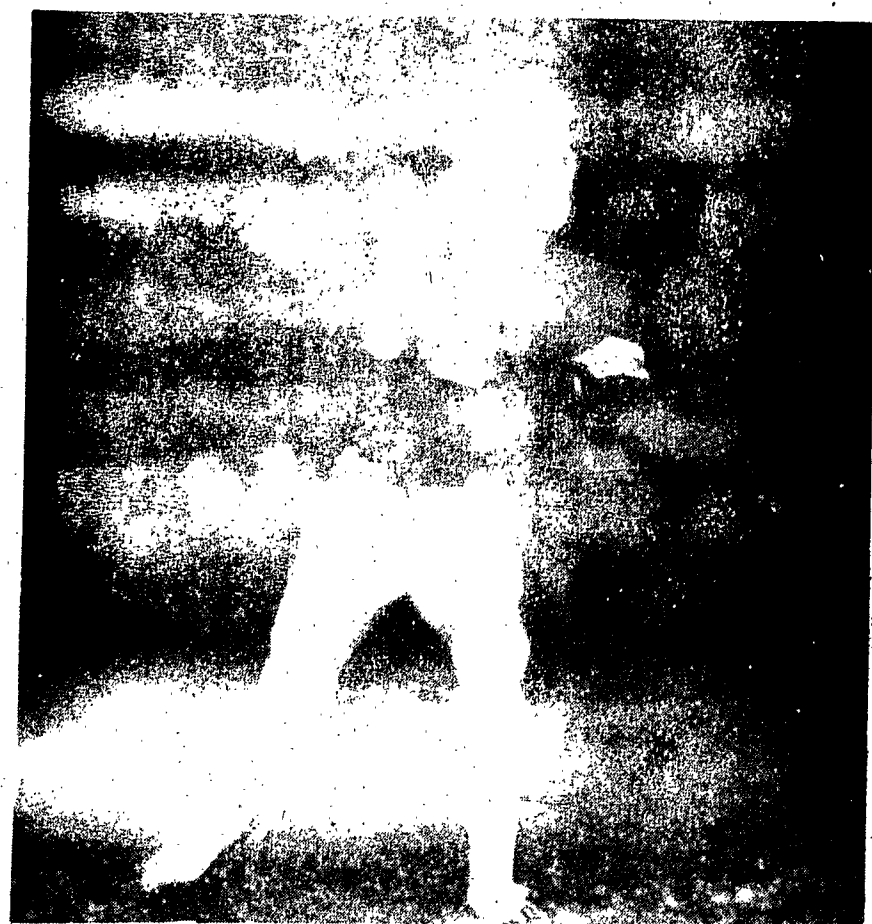

Coach Irvin Favre said the fans got there money's worth in that game.

"The game could have went either way," he said, "but I'm happy with the way it went."

"It is really a shame in a game like this one that somebody has to lose," he said.

Favre added that he felt good about the way the team had played and he believed that the Hawks were on their way back.

Next week the Hawks will travel to Vancleave. Kickoff will be a 7:30 p.m.

QUARTERBACK TO THROW—Hancock North Central High School quarterback Melton Lewis prepares to throw the ball during Friday night against St. Martin. (Staff photo by Dena Bisnette)

Tigers bury Bearcats 34-7

By DENA BISNETTE

Passing and defense were the keys in Bay St. Louis High School's 34-7 homecoming victory over Long Beach Friday night.

Tiger Head Coach Cleveland Williams, who had said before the game that he expected the defense to be the most important factor in the game, said the Tiger passing game turned out to be equally important.

"We weren't able to establish our running game the way we usually do," he said, "but our traps were working pretty well and Jeffery Smith was right on time with his passes."

Smith completed 13 of his 16 pass attempts, including two to Eddie Nelson for touchdowns. He gained over 300 yards by putting the ball in the air.

The Tiger receiving corps also excelled Friday, the coach said.

Williams said the result was similar to what the Tigers were trying to do in last week's game against cross-town rival St. Stanislaus, but this week the strategy worked better.

"We needed this game. It was a crucial one for us," he said, explaining that Friday's win gives the Tigers a 3-3 season.

"This could help carry us through the rest of the season, although we have a lot of work to do to get ready for East Central next week. Now we're hoping to

have a 7-3 season record," Williams said.

He said the high score surprised him. "We'd been looking good all week in practice, but as coaches we didn't feel comfortable about playing Long Beach."

"Everybody seemed real optimistic about it but we knew how going into a homecoming game with two wins behind us could affect the team," he commented. "This is the first time this season that the team has surprised me."

Whatever adverse effect homecoming excitement or pressures may have had Friday, the Tigers started racking up points early with a touchdown on a one-yard keeper by Jeffery Smith.

Stace McRaney kicked the extra point for a score of 7-0 with 7:53 in the first quarter.

After that short run, however, the passing game took the spotlight.

With 1:20 to go in the half, Smith passed to Eddie Nelson for the Tigers' second touchdown.

McRaney again added the extra point, leaving the score 14-0.

In second half action, another Smith-to-Nelson pass added six more points and 40 yards to the Tiger stats.

The score was 20-0 with 9:20 in the third quarter but the numbers changed again after only about six minutes.

Smith threw the ball again, this time hitting Matt Fairconnetue. Fairconnetue carried for 65 yards and his first touchdown of the night.

Stace McRaney's extra point kick brought the score to 27-0.

With a little over a minute left in the quarter, Trace McRaney intercepted a Long Beach pass and ran in for a 30-yard score, adding another six points to the Tiger side of the scoreboard.

Stace McRaney followed his brother's touchdown with another successful kick, giving the Tigers their final score of 34 points.

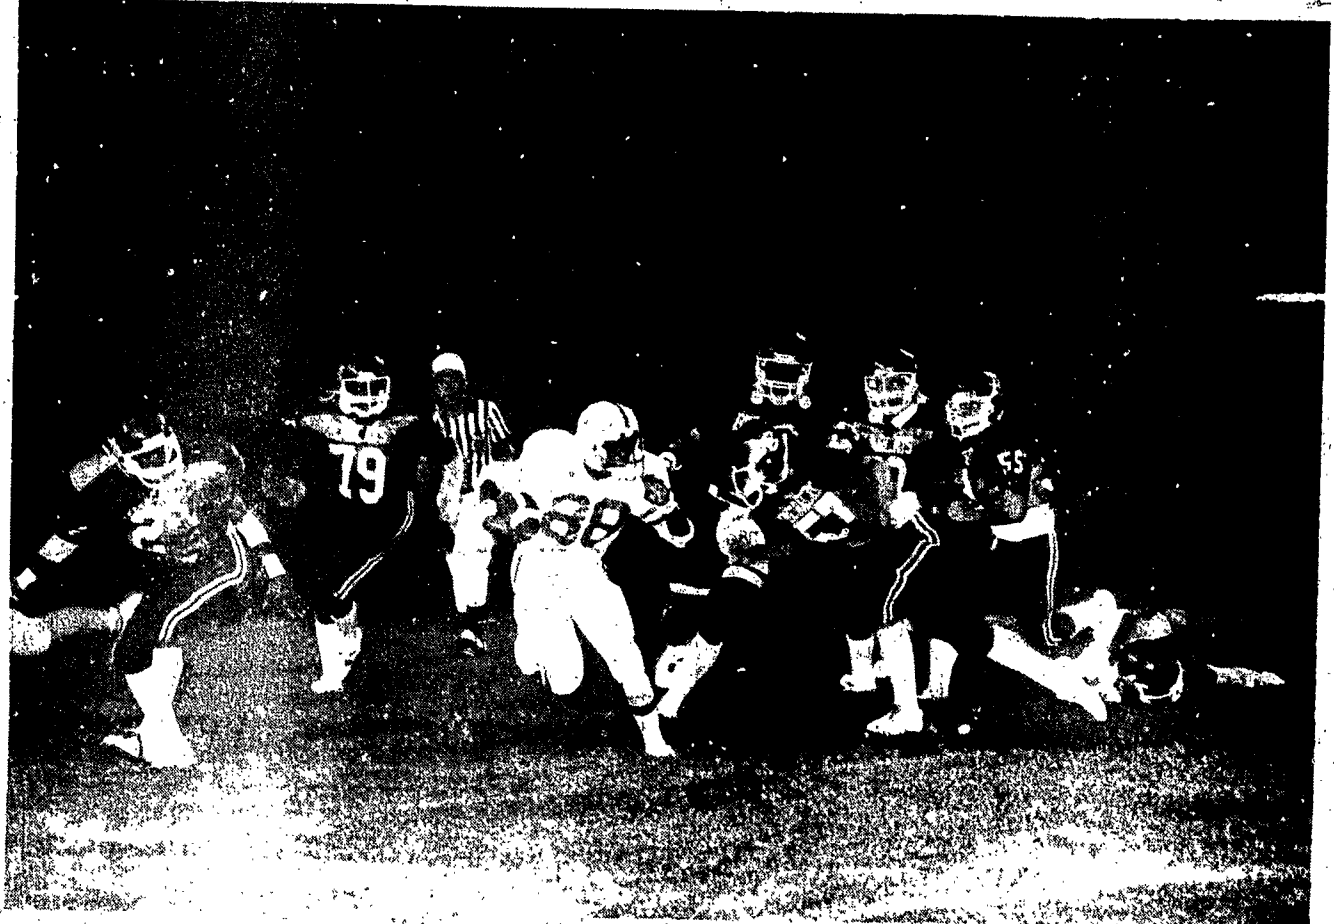

Late in the game Williams emptied the Tiger bench to allow his younger players to obtain some game experience. Long Beach took advantage of the Tiger personnel change to score on a running play.

The final score stood at 34-7.

"Everyone got into the game this week," said Williams, who named Smith, Nelson, Dennis Dear, Robert Hargett, and Fairconnetue as standouts.

He also noted Rodney Whavers, new player David Harris (formerly of Petal), Jay Ginn, Quentin Bell and Jessie Parker as players to watch in future games.

Next week, the Tigers travel to East Central High School.

Pirates sink East Central 33-6

By ELLIS CUEVAS
Pass Christian's Pirates made their season record 4-2 with a 33-6 victory over East Central Friday night.

Head coach Alton Wright said, "We had a good game defensively as well as on offense."

"We dressed 29 boys for the game, and everyone got to play," Wright added.

The only team members who did not play were Willie Newsom, Mark Boyd and Irvin Hall, who were out with injuries and should be ready for next week's action against Pearl River Central, Wright said.

The Pirates scored early in the first quarter on a three-yard run by Winston Ausmer. A one point conversion try turned into two points.

Quarterback Joey Rogers was holding for punter Otis Gates and he got a bad snap. Gates picked up the ball and threw to Rogers for the two point conversion, giving Pass an 8-0 lead.

Swift Tony Howell broke a trap play in the second quarter behind some fine blocking for an 82-yard score. The PAT was missed, giving the Pirates a 14-0 lead.

East Central's only score came in the

second quarter with the PAT being missed.

J.W. Ledeaux, who relieves Rogers at quarterback, scored on a 12-yard keeper. Gates added the PAT, giving the Pirates a 21-6 halftime lead.

Howell added another six points with his second score of the night, an 11-yard run over tackle.

The Pirates final scoring was in the fourth quarter by Hilton McKay, a reserve back, who ran for 15 yards.

The PAT's were missed on the final two scores, giving the Pirates a 33-6 edge.

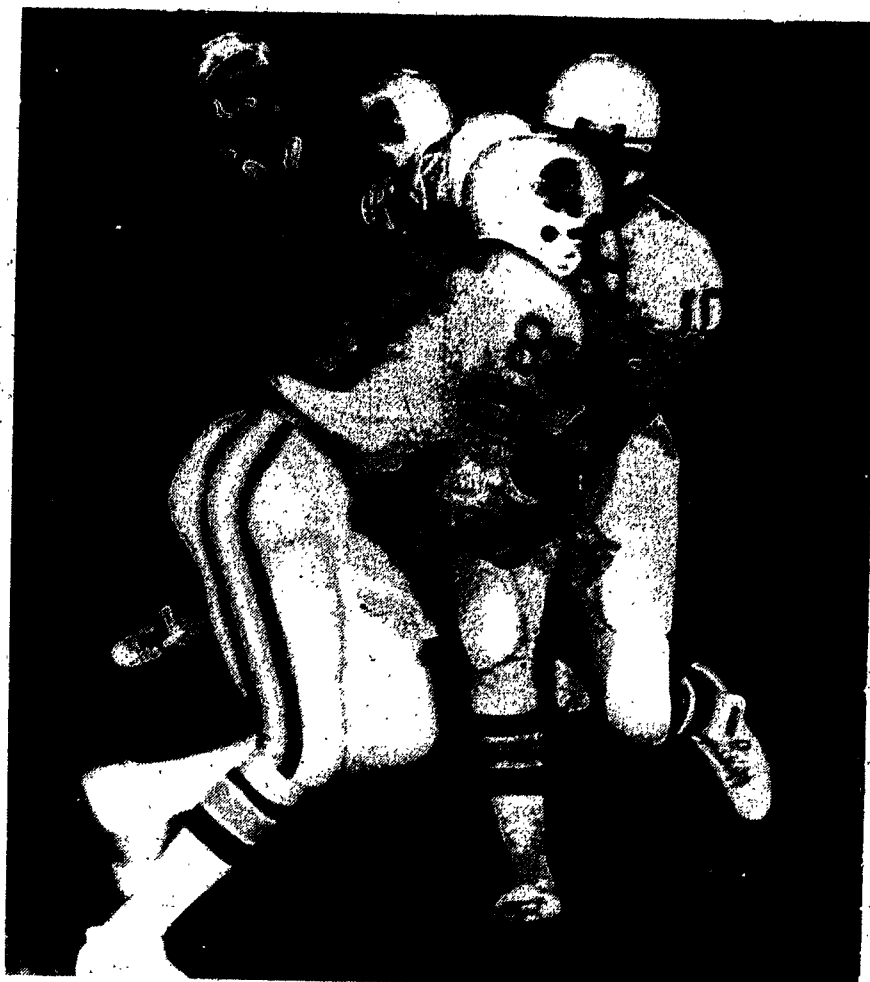

Wright cleaned the bench in the fourth quarter with everyone getting in several plays.

Wright mentioned the defensive play of Jeffrey Payne, Jason Dedeaux, Billy Boney, Tony Howell, Rod Jacobs, and Rogers, who broke up several passes.

The Pirate offensive line received special mention by Wright for their crisp blocking.

Howell's running totaled 149 yards. Ausmer had 38 yards with five pass completions for 56 yards.

John Dedeaux, Kevin Swanier, and Shinnall Conway each intercepted an East Central pass.

HAND-OFF—Bay High's Richard Whavers (88) takes the ball from quarterback Jeffery Smith (10) on a quick hand-off during Friday's game against Long Beach. (Staff photo by Dena Bisnette)

RUNNING IN THE CLEAR—Robert Hargett carries the ball without interference for some Tiger yardage Friday. (Staff photo by Dena Bisnette)

Raiders edge Lions in high scoring game

The Coast Episcopal High School Red Raiders of Pass Christian defeated Trinity Christian Academy 52-36 in a high scoring game Friday.

Trinity jumped to a 14-0 lead on two quick touchdowns by Chuck Clark in early first quarter action.

CEHS stormed back with Chip Sandifer returning a kick-off for a score and a two point conversion making the score 14-8 in favor of Trinity.

Raider Dylan Langdon scored a TD and the added two point conversion gave Coast a 16-14 edge.

Sandifer added his second TD of the night on a 40 yard run followed by another two point conversion giving CEHS a 24-14 lead to end the first quarter.

In second quarter action Trinity closed the gap when Charlie Benman ran 20 yards followed by an Andre Benman's 40 yard run for a score.

The PAT brought the score to 24-22 in favor of CEHS.

Sandifer scored his third TD of the game late in the second quarter and then added a fourth early in the third stanza giving the Raiders a 38-22 lead.

The Lion's Eddie Clark excited the crowd with a 60 yard run for a score. After two fumble exchanges Andre Benman rambled for 45 yards and a score. A two point conversion cut CEHS's lead to 38-36.

Coast Episcopal's bench strength played an important role in the fourth stanza keeping the Lions from scoring.

Sandifer added touchdowns number five and six for his record performance this season. He hit paydirt on a 60 yard run and again on a series of plays up the middle.

The Raiders failed on one extra point, but pushed in a two pointer on the final TD, making the final score 52-36.

Raider coach Kearnie Bobinger said, "Offensively the Raiders played a great game, defensively we gave up more points than we would have liked."

Coast Episcopal sports a 4-0 record for their first season in high school football competition and will play Grace Academy of Ocean Springs next Friday. The game will get underway at 7:30 p.m. in Ocean Springs.

Rev. Charles Clark in commenting about the game said, "It was a great game, our team played well, a lot of points were scored."

The Trinity Lions are coached by Rudy Tillman who is assisted by Chris Criswell and are 3-3 for the season.

The Lions will host Open Door Academy of Foley, Ala., next Friday. The game will be played at Gulfview's Field at 7:30 p.m.

Brief

ATLANTIC WIDENING

According to NASA scientists, the Atlantic Ocean is widening by six-tenths of an inch each year, reports 'International Wildlife' magazine.

NIFTY RUNNER—Chuck Clark, No. 14, of Trinity Academy of Waveland makes a long run as he is followed by Sean Knight of Coast Episcopal High School in Friday night action. Clark scored two touchdowns in first quarter action giving Trinity a 14-0 lead. Coast Episcopal came back and was on top 56-36 in the high scoring game. (CEHS photo).

SANDIFER SCORES ONE OF SIX TDS—Chip Sandifer, No. 3, Lakeshore. Sandifer is CEHS's leading scorer as the Raiders rambles in for one of six touchdowns on Friday as Coast are 4-0 for the season. The Red Raiders high school team will visit Grace Academy of Ocean Springs next Friday. (CEHS photo).

The Sea Coast Echo

Miner—Furr

Mr. and Mrs. John Hapson Kennard Miner of Ocean Springs announce the engagement of their daughter, Merileigh Fairbank Miner, to Richard Theron Furr, son of Dr. and Mrs. Richard Theron Furr of Ocean Springs.

The bride-elect is a graduate of Ocean Springs High School and The University of Mississippi, where she was a member of Kappa Delta Phi honorary education fraternity. She is

employed with Christ Episcopal elementary school.

The prospective groom is a graduate of Coast Episcopal High School. He received a bachelor's degree in electrical engineering from Tulane University and is employed with Mississippi Power Company.

The couple will exchange vows in a late November ceremony in St. John's Episcopal Church in Ocean Springs.

MERILEIGH FAIRBANK MINER

Yockey—Lavinghouse

The engagement and approaching marriage of Shannon Therese Yockey to James Edward Lavinghouse is announced by her mother, Mrs. Hal Ross Yockey of Pass Christian. She is the daughter of the late Hal Ross Yockey.

Mr. Lavinghouse is the son of Mrs. William Edward Lavinghouse of Moss Point and the late Mr. Lavinghouse.

The bride-elect is a graduate of Our Lady Academy High School and Loyola University. She was presented at the Grand Military Ball of the Society of the War of 1812, where she was chosen to represent the City of New Orleans. She was among the young "American

Beauties" presented at the annual Pass Christian Yacht Club Ball during her freshman year in college. At Loyola University, she was a member of Phi Phi Phi social sorority.

Miss Yockey is employed with Guice and Guice Advertising in Biloxi.

The prospective groom is a graduate of Moss Point High School and Jackson County Junior College. He is employed with Ingalls Shipbuilding in Pascagoula, Miss.

St. Paul Catholic Church in Pass Christian will be the setting for the November 3 marriage at 10 a.m.

MR. AND MRS. WILLIAM ANTHONY LEBLANC IV
(Photo by Bob Hubbard)

SHANNON THERESE YOCKEY

COUSINS CELEBRATE—Abbie Favre and Charanda Necaise celebrated their third and fourth birthdays, respectively, with a Hobbie Hobbie theme party in the Gulf National Bank civic room. Abbie is the daughter of Kim and Charlene Favre of Waveland and the granddaughter of Mr. and Mrs. Milton Favre Sr. of Bay St. Louis. Charanda is the daughter of Randy Necaise of Bay St. Louis and Chari Necaise of Diamondhead. She is the granddaughter of Mr. and Mrs. Ray McIntyre of Bay St. Louis. Both girls are granddaughters of Mr. and Mrs. Roland Necaise.

Ginn—Beaugez

Our Lady of the Gulf Catholic Church in Bay St. Louis was the setting for the marriage of Rose Marie Beaugez and Donald Leon Ginn on September 22. The Reverends Francis Farrell and Charles Johnson celebrated a Nuptial Mass and jointly officiated at the 2 p.m. double ring ceremony.

The bride is a daughter of Marie S. Beaugez of Bay St. Louis and the late Gerald J. Beaugez Sr. The groom's parents are Nancy R. Ginn of Bay St. Louis and the late John H. Ginn.

Arrangements of pink and white gladioli, alstroemeria wax flowers, carnations, and white chrysanthemum poms in baskets and vases adorned the sanctuary.

Musical selections were provided by organist Mrs. Olive McKenna and vocalists John Mason and Leigh Jessie.

Escorted to the altar by Rodney J. Sandoz, her uncle, the bride wore a formal gown of silk organza and lace over bridal taffeta. The basque bodice featured a portrait neckline overlaid with jeweled chantilly lace. The full puffed sleeves had cuffs of matching lace. Her full skirt of organza with appliques of lace was encircled with a lace flounce which swept to a chapel-length train. Her tiered veil of silk illusion was edged with lace and held by a jeweled lace caplet.

She carried a cascade of roses, stephanotis, carnations, white tiger lilies and angels' lace with forget-me-nots.

Marguerite Beaugez of Bay St. Louis attended her sister as maid of honor.

Bridesmaids were Kathy Ginn, sister of the groom, Mary Ann Wilkerson and Danita Scianna, all of Bay St. Louis, and Julia Johnston of Jackson, Miss.

Miss Emily Alford of Bay St. Louis, cousin of the groom, was flower girl. The honor attendant was attired in a

gown of burgundy matte taffeta. The fitted bodice featured a portrait neckline and softly flowering single ruffle sleeves accented with self-roses at the shoulders. Bridesmaids wore identical gowns in nordic rose. They wore a small sweep of rose and burgundy flowers accented with bridal wreath.

Bill Ginn of Waveland served his brother as best man.

Groomsmen were Jerry Beaugez, brother of the bride, Jay Ginn, brother of the groom, and Andy Perniclaro, all of Bay St. Louis and Jerry Dubulsson of Gulfport.

Ushers were Tim Delcuze of Waveland; Scott Davis of Bay St.

Louis; and Davy Smith of Poplarville. Charlie Penn of Biloxi, godchild of the bride, was ring bearer.

A reception followed the ceremony at Christ Episcopal's Virginia Hall.

Mrs. Beaugez chose a rose polyester crepe sleeveless gown trimmed with schiffli embroidered neckline with attached overblouse and full skirt. Her long sleeved cardigan jacket was trimmed with schiffli embroidery.

Mrs. Ginn was attired in a grey formal gown fashioned with draped V-neckline, long sheer sleeves and gathered A-line skirt.

Assisting at the reception were Kim Delcuze and Susan Sandoz of Bay St. Louis; Natalie Sandoz of Long Beach;

Ann Marie Penn, Susie Penn and Frances Penn of Biloxi. Julie Barrett kept the guest register.

On return from a wedding trip to Gulf Shores, Ala. and Florida, the couple will reside in Long Beach.

Pre-Nuptial Parties

A miscellaneous shower was given by Louise Beal and Kathy Ginn on July 22 at the home of Mrs. Marion Beal.

A shower was hosted by Josie, Mary Lynn, Susanne and Natalie Sandoz on August 5 at the home of Mrs. Rodney Sandoz in Long Beach.

A lingerie shower was given by Danita and Mary Ann Scianna on Sept. 2 in the home of Mrs. Charles Scianna.

Fayard—Schwartz

Peggy Sue Schwartz became the bride of Richard (Ricky) Joseph Fayard Jr. in an afternoon vows September 22 in the Veterans of Foreign Wars Hall. Bert Courge performed the double ring ceremony.

The bride is the daughter of William A. Schwartz of Bay St. Louis and the late Altha Schwartz. The groom's parents are Mr. and Mrs. Richard Joseph Fayard Sr. of Bay St. Louis.

Given in marriage by her brother, the bride was wore a formal gown of white chiffon fashioned with Victorian neckline of ribbonlace, a ruffled yoke and collar, leg-o-mutton sleeves and ruffled cuffs of identical lace. Her full chiffon skirt was trimmed with a lace ruffle above a deep flounce of ribbonlace encircling the hemline with an attached cathedral train.

Her bridal hat was adorned with lace and pearls and was trimmed with net illusion. She carried a cascade of lavender and white silk roses, stephanotis, baby's breath and white ribbon streamers.

Lorine McLain, sister of the groom, and Kellie Carvin, both of Bay St. Louis, were matron and maid of honor, respectively.

Bridesmaids were Paulette Shiyoi and Denise Page, nieces of the bride, and Heidi Hille, all of Bay St. Louis.

Jennifer Haskell of Waveland, niece of the bride, was flower girl.

The attendants were attired in formal gowns of chiffon in rainbow colors, fashioned with chiffon layers forming a cowl neckline, natural waistline with gathered skirts and satin ribbon sash. They wore picture hats in complementary colors and carried silk nosegays of rainbow dogwood flowers with baby's breath.

The flower girl carried a basket of lavender and white silk roses with baby's breath and ribbon streamers.

Pat Cuevas of Waveland was best man.

Groomsmen were Kevin Fayard, brother of the groom, and Charles Schwartz, brother of the bride, both of Bay St. Louis; Chris Bermond of Waveland and Buck Raymond of Bay St. Louis.

Ring bearer was Jessie McLain, nephew of the groom.

A reception followed the ceremony at the Veterans of Foreign Wars Hall in Bay St. Louis.

MR. AND MRS. RICHARD J. FAYARD JR.
(Photo by Ed Fayard)

LeBlanc—Necaise

Rosalyn Necaise of Perkinston, niece of the bride, was miniature bride. Gregory Odom of Kiln, nephew of the bride, was ring bearer.

Michael Starita of Jackson, Miss., uncle of the groom, was best man.

Groomsmen were Buster Thornton, brother-in-law of the bride, and Don Necaise, brother of the bride, of Pass Christian; and Shane LeBlanc of Diamondhead, brother of the groom.

Ushers were Keith Starita of Gulfport, uncle of the groom, and Vernon Necaise of Lumberton, cousin of the bride.

A reception followed at the Veterans of Foreign Wars Hall in Kiln.

The bride's mother chose a formal gown of periwinkle designed with pleated skirt, gathered bodice and sheer capelet overlay.

The mother of the groom was attired in a wine tea length gown with lace sleeves.

Assisting at the reception were Gladys Ladner of Pass Christian, aunt of the bride; Janet Haas of Kiln; and Kimberly Necaise of Perkinston, niece of the bride, guest register.

Charping, Harris attend World War I veterans auxiliary meet

The thirty-second annual National Convention of Veterans of World War I, USA, Inc. and National Ladies Auxiliary was held Aug. 28-30 in the Marriott Hotel, Des Moines, Iowa. Mrs. Leah Brandmo, national convention director, Iowa; National Commander John "Smoky" Stover, Florida, and National Auxiliary President Velma Conrad Becker, Wisconsin, welcomed all delegates and guests.

Due to circumstances, the Department of Mississippi Veterans had no delegate, however, there were six delegates from the Department Auxiliary attending: Pauline Charping,

Past National President, Waveland; Lena Jayroe Dedman, Past National Fifth Region President, Gulfport; Gertrude Gorman Buckley, Department President, and Myrtle Page, Past Department President, Pascagoula; Past Department President and Department Treasurer Roselee Kyzar, Columbia; and Una Harris, Secretary-Treasurer of Bay St. Louis Auxiliary.

Upon arrival and registration each delegate and visitor was handed a letter from the manager of the Marriott and a card giving them 20% discount on all meals and purchases in the hotel.

The Mississippi delegates attended

the Fifth Region meeting, Alabama, Florida, Georgia and Mississippi, of which Mrs. Lucille Schultz was president. However, due to serious illness she was not able to attend. Mrs. Sally Lent, her alternate, was present and conducted a very interesting meeting.

Sunday afternoon the National President-elect Harriett Powers of Seattle, Wash., and Thelma Tomko, National Secretary-Treasurer, held their meetings for information and instructions to all delegates. The Veterans Administration Volunteer Service meeting was held immediately afterward with Past National President and Director for the National Ladies Auxiliary, Martha Peterson of New Jersey, presiding.

The joint memorial service was held at 7 p.m. The National Chaplain's report showed the National Auxiliary lost 1,419 members this year. The Department of Mississippi lost 18 members, sent 126 floral pieces; 311 sympathy cards; held 36 memorial services and 16 ritual services; and helped 117 families.

The official opening session began Monday at 9 a.m. National Commander Stover and National President Becker greeted the many guests from the city, state and all service organizations. The Allied Greetings meeting and reception followed.

With 50 states represented, Mississippi was one of the eleven with a full 100% reporting on all subjects. Certificates

were received for Americanism, Legislative and Publicity.

Publicity Book won first place having been judged on number of inches and publicity—276 inches—neatness and following rules for preparing the book.

In hospital and personal visits with 2,925 hours; 13 volunteers with 2,135 hours; 651 get well cards sent; 23 volunteers on drives spending 638 hours; 955 articles donated.

Jackson County Auxiliary received a Certificate of Merit for their outstanding work. The scrap book received an honorable mention.

Certificates and the history book placed third.

Volunteers given charms for 100 hours were Genovieve Cole, Bay St. Louis; Mary Stringer and Nancy Sullivan, Copiah County; and Muriel Crawford, Jeanie Cox, Bessie Haverstroh and Jo Madigan, Gulfport. For 500 hours: Elda Duke, Bay St. Louis, and Cynthia Anding, Copiah County.

The annual banquet was held Tuesday night with a large attendance. National Commander Stover welcomed Paul T. Bannach, National Director of Veterans Affairs of Washington, D.C., who was the principle speaker and gave a very interesting and informative address.

The 1984-1985 convention will be held in Milwaukee, Wisc.

Pauline Charping, left, and Una Harris

Birth

KIMBERLY ELYSE PHILLIPS

Mr. and Mrs. Kenneth H. Phillips of Lakeshore announce the birth of their first child, Kimberly Elyse, September 16, 1984 at 9:06 a.m. in Slidell Memorial Hospital in Slidell, La.

She weighed 8 pounds, 6 ounces.

Mrs. Phillips is the former Karen Bernos.

Maternal grandparents are Mr. and Mrs. Ronald Bernos of Lakeshore.

Maternal great-grandparents are Mr. and Mrs. William H. Musser of Bay St. Louis and Wallter Musser of West Virginia.

Paternal grandparents are Mr. and Mrs. William K. Phillips of Slidell, La.

Paternal great-grandparents are Mrs. Adeline Dingman of West Chester, Ohio and the late Harold C. Dingman.

Maternal great-great-grandfather is Wallter Musser of West Virginia.

PASS CHRISTIAN TOUR OF HOMES—The home of Marshall Powell, above, and Mr. and Mrs. Paul Westervelt Jr., below, will be featured in the Pass Christian Historical Society's Tour of Homes set for today, Oct. 14. The tour will be from 1:30 to 4:30 p.m. and there will be a tea for four guests at the home of

Mrs. Gaynell Billups, 625 East Scenic Dr., from 2:30 to 4:30 p.m. The walking tour will include four homes on Scenic Drive in Pass Christian. Tickets for the tour will cost \$6 and are available at the homes. For information call Otis Trepagnier, 452-2103.

Clubs, Auxiliaries

Pass Christian Garden Club

The Pass Christian Garden Club held its monthly meeting Oct. 4 in the Hancock Bank Annex.

An interesting and informative program was presented by Greg Taylor of the Harrison County Soil and Conservation Department entitled 'Soil Conservation.' The members expressed keen interest in learning what individuals can do to assist in conservation. Mr. Taylor was delighted with the enthusiasm the members demonstrated.

Following the program, President Mrs. John Drevar announced the cancellation of the plant sale scheduled for Oct. 14. It will be held in the spring instead, the date not as yet established.

Reporting on a meeting at the Garden Club's State Headquarters, the president discussed some needed maintenance work on the property. In response to her appeal the membership voted to contribute one dollar per member for the task. Mrs. Drevar continued by saying she was delighted to report that the Pass Christian Garden Club had won 15 state awards covering a wide variety of civic improvements. This announcement met with enthusiastic approval by the members.

On Friday, Nov. 2, the Bay-Waveland Garden Club and the Pass Christian Garden Club will share the pleasure of hosting a meeting of the Gulf Coast Council of Garden Clubs at the Bay-Waveland Garden Club headquarters.

The meeting closed with a very brief discussion of plant containers and how to use them, conducted by Mrs. Drevar. She explained some of the points flower show judges look for.

Brief

RECYCLED ALUMINUM

According to the aluminum industry, more than half the aluminum cans produced in the United States are eventually recycled, reports 'International Wildlife' magazine. Recycling is said to be so efficient that a can coming out of a store is back on the shelf within six weeks.

PUBLIC NOTICES

IN THE CHANCERY COURT OF HANCOCK COUNTY, MISSISSIPPI

LAMBERT T. BOYD, ET AL, PLAINTIFFS VS. UNKNOWN HEIRS AT LAW OF HELENE POPE BOYD, DEFENDANTS

SUMMONS NO. 17,348 TO: The Unknown Heirs at Law of Helene Pope Boyd, deceased.

You have been made Defendants in the lawsuit filed in this Court by Lambert T. Boyd, Bob A. Boyd, and Tom E. Boyd, whose address is: c/o P.O. Box 1304, Bay St. Louis, Mississippi 39320.

The Complaint filed against you has initiated a civil action alleging that Lambert T. Boyd, Bob A. Boyd and Tom E. Boyd are the sole surviving heirs at law of Helene Pope Boyd, deceased, and seeking legal adjudication of the heirs at law of Helene Pope Boyd, deceased.

You are required to mail or hand deliver a copy of a written answer either admitting or denying each allegation in the Complaint to JOHN C. CHEVIE, JR., Plaintiff's Attorney, whose address is P.O. Box 1304, Bay St. Louis, Mississippi 39320.

YOUR ANSWER MUST BE MAILED OR DELIVERED NOT LATER THAN THIRTY DAYS AFTER THE 20th day of October, 1984, WHICH IS 21 DAYS FROM THE DATE OF THE FIRST PUBLICATION OF THIS SUMMONS.

IF YOUR ANSWER IS NOT SO MAILED OR DELIVERED, A JUDGMENT BY DEFAULT MAY BE ENTERED AGAINST YOU FOR THE MONEY OR OTHER RELIEF DEMAND IN THE COMPLAINT.

You must also file the original of your Answer with the Clerk of this Court within a reasonable time afterward. Witness my signature and official seal this 2nd day of October, 1984.

Kearley named new minister at Bay St. Louis Church of Christ

W. Edwin Kearley, former minister of the Church of Christ at LaFayette, Ga., is now assigned to the Bay St. Louis Church of Christ.

He is a native of Montgomery, Ala. He graduated from Alabama Christian College and received his master's degree in Bible in 1978 from Alabama Christian School of Religion.

He began preaching in 1949 and his ministry has carried him through out the southeast, including Valdosta, Ga.,

Anniston, Ala., Newnan, Ga., Perry, Fla. and Florence, Ala.

Kearley is married to the former Miss Flora Wilson of Pensacola, Fla. They are the parents of four children and have two grandchildren.

Their son Michael and grandchildren Mishelle and Maria live in Prattville, Ala.; daughter Marsha is a secretary in Montgomery, Ala.; and youngest daughter Melinda is married and lives in Panama City, Fla.

Melanie, who is a recent graduate in social work, lives with her parents.

An invitation has been extended by Kearley to the public to come and observe the worship and study the Bible at the Bay St. Louis Church of Christ.

Bible school begins there at 9 a.m. on Sundays.

Worship services are at 10 a.m. and 6 p.m.

Wednesday evening Bible classes begin at 7 p.m.

W. EDWIN KEARLEY

Church of Christ

By W. Edwin Kearley, Minister
501 Pine St. Bay St. Louis

THE REALITY OF GOD

The nearest the Bible comes to arguing the reality of God is when the Psalmist states, "The heavens declare the glory of God and the firmament showeth his handiwork" (Psalm 19:1).

The beauty of the sun, moon and stars reveal God. The orderliness of the working of these attest to a supreme being.

When the grass withers and the leaves fall from the trees, it looks like death. Then spring comes and new life begins all over again. We know this did not happen by chance. The supreme being is the cause of the effect.

Even the symmetry and beauty of the snowflake under the microscope declares the reality of God.

The Bible begins by merely stating, "In the beginning God" (Gen. 1:1).

Moses is credited with praying, "Lord, thou hast been our dwelling place in all generations. Before the mountains were brought forth, or ever thou hast formed the earth and the world, even from everlasting to everlasting, thou art God" (Psalm 90:1-2).

Though the finite mind cannot grasp eternity, there has never been a time God did not exist.

God's presence and power is everywhere. David wrote, "Whither shall I go from thy Spirit? Or whither shall I flee from thy presence? If I ascend up into heaven, thou art there: if I make my bed in hell, behold thou art there. If I take the wings of the morn-

ing, and dwell in the utter most parts of the sea; even thy hand shall lead me, and thy right hand shall hold me. If I say, surely the darkness shall cover me; even the night shall light about me. Yea, the darkness hideth not from thee; but the night shineth as the day; the darkness and the light are both alike to thee...I will praise thee; for I am fearfully and wonderfully made; marvelous are thy works; and that my soul knoweth right well" (Psalm 139:7-14).

When God had prepared everything, through creation, for his crowning act of creation, he said, "...Let us make man in our image, after our likeness...So God created man in his own image, in the image of God he created him: male and female created he them" (Gen. 1:26-27).

"And the Lord God formed man of the dust of the ground and breathed into his nostrils the breath of life; and man became living soul" (Gen. 2:7).

Man is a trine being. Paul said to the Thessalonians, "And the very God of peace sanctify you wholly; and I pray God your whole spirit, and soul and body be preserved blameless unto the coming of our Lord Jesus Christ" (1 Thess. 5:23).

God made man with a body, and life as the animal but man received another part of his being. He received an eternal soul.

Man must glorify and honor God with his life. God, through his Son, will grant to the obedient eternal life (Her. 5:8-9).

Births

JON NATHAN RABY

Mr. and Mrs. J. Wayne Raby of Metairie, La. announce the birth of their third child, Jon Nathan, Sept. 16, 1984 at 5:12 p.m. in Hotel Dieu Hospital in New Orleans, La.

Story Hour titles listed

Pre-school children are invited to attend Story Hour every Thursday at the City-County Library, located in Bay St. Louis. The program is geared to three to six year olds.

"Joey" by Jack Kent is the first book to be read. "Five Little Speckled Frogs," a finger play, will be performed between stories. "The Comic

Adventures of Old Mother Hubbard and Her Dog" illustrated by Tomi DePaola is the second book to be read.

The program will conclude with the motion picture film, "The Changeling." Myra Haynes, children's library assistant, will be presenting Story Hour this week, according to Becky Mitchum Keefe, children's librarian.

ELECTRIFIED—"3-2-1 Contact" host "Kathy," portrayed by actress Kelly Pino, gets a charge as she demonstrates how a Van deGraaff generator produces large voltages of electricity during a segment of the popular science series for eight- to 12-year-olds. "3-2-1 Contact" begins its new season on Mississippi TV during the week of Oct. 22. The week-daily programs can be seen at 1:30 p.m., Mondays, Wednesdays and Fridays, and also at 5:30 p.m., Tuesdays, Wednesdays and Thursdays.

Local author donates book

A copy of Edwin R. Ling's "Space Crescent: The Untold Story" has been donated to the Hancock County Library by the author.

The book is a personal history of the National Aeronautics and Space Administration's Mississippi Test Facility/National Space Technology Laboratories which Ling describes as part of the anchor of NASA's space crescent: the facilities that range from

Mission Control in Houston to the Kennedy Space Center.

The book will be of interest locally since it includes much information on Hancock County and local personalities as well as the detailed history of NSTL.

Ling was for many years NSTL's only lawyer and now serves as its chief counsel. He and his family reside in Waveland.

News Brief

Church in Clinton.

Rev. Tonkel has been a youth worker, pastor, chaplain, writer and evangelist for 30 years.

He appears regularly on the Methodist Hour television program and has held spiritual renewals all over the world in the last 15 years.

All interested persons are invited to attend all the services.

The church is located at 526 East Second Street, Pass Christian.
